## **DIGITAL PROJECTS EDITOR**

**Las Vegas Sun**

**August 2011 to present**

Primary liaison between editorial staff and the developers. Oversaw special coverage, helped manage social media and worked with outside vendors. Also responsible for coordinating podcasts and a daily radio show and managed all user generated content.

## **REPORTER**

**Las Vegas Sun**

**August 2008 to August 2011**

Covered transportation and breaking news, primarily for the website. Also assisted with special Web projects, took photographs, managed user generated content and updated website sections when needed.

## **ONLINE EDITOR**

**The Spartan Daily**

**January 2008 to May 2008**

Responsible for all design and content of student newspaper website. Assigned and supervised multimedia projects from about 30 staff writers, many of whom had no previous experience producing content for the Web.

## **MULTIMEDIA PRODUCER**

**WashingtonPost.Newsweek Interactive**

**September 2007 to December 2007**

Worked primarily on LoudounExtra.com and other hyperlocal sites as part of the new product development team, writing stories and gathering information for community guides.

## **COMMUNITY JOURNALIST**

**KNTV-TV, NBC11**

**June 2007 to August 2007**

Part of a team developing the new NBC11HomeTown.com and helped with the main station site. Created content, did community outreach and marketing and moderated live discussions.

## **REPORTER**

**The Spartan Daily**

**January 2007 to May 2007**

Staff writer for San Jose State University's student newspaper. Wrote more than 30 articles, including some major breaking news stories.

## **EDUCATION**

Bachelor's of science in journalism with a political science minor, San Jose State University, May 2008. Was named one of the best 100 student journalists in the nation by UWIRE in 2008.
